WIKSTRÅ-M/WINTER

You ran up to me
Like a shot from a gun
So young, wild and free
A girl on the run
You took my heart
Turned it round and round
You said you were lost -
Now you have been found
I can see you, I can feel you
I can touch you anytime
So be near me, don't you leave me
I'm on my way into your life

Lovestroke - Turn me inside out
Lovestroke - Make me scream and shout
Lovestroke - Everynight
Lovestroke - 'Till the morning light

When you're out on your own
You don't know what it takes
To fight back the tears
Learn from your mistakes
With me by your side I can help you find
A place in the night and some peace of mind
I can see you, I can feel you
I can touch you anytime
So be near me, don't you leave me
I'm on my way into your life

Lovestroke - Turn me inside out
Lovestroke - Make me scream and shout
Lovestroke - Everynight
Lovestroke - 'Till the morning light
