Yeah, yeah and I'm feelin official
Got my high class chick and she lookin official
Everytime she come around
She look better than the rest
Bet you never ever seen another girl like this
Like this, like this
Bet you never ever seen another girl like this

And I'm bout to scoop my chick up
I pick her up and we take a ride and I'm feelin so
official
If you disagree I'd say you trippin and
Don't like that I'm gettin it
Still a young one, enterin my prime
Livin it up one day at a time
First we hit a restaurant, yeah you know, high class
I'm lookin at her fine ass while I'm sippin on this wine
glass
So I let the time pass and I let the mood kick in
Attraction growin stronger every minute that we sippin
Now we dippin to a movie and we lovin this night
Let me open the trunk I got a present inside
I'm bout to, bout to blow ya mind cuz I know how to
handle ya
I cover every angle, some-somethin like a camera
Been a rush, been makin her blush
Diggin this girl and I can't get enough
And she can't either, don't trick but I treat her
Swipin a Visa, like it ain't nothin
I ain't bluffin, better believe it
Known to be confident, not conceited
Expectations I bet I've exceeded
Next time I see her she'll happily greet me

Yeah, yeah and I'm feelin official
Got my high class chick and she lookin official
Everytime she come around
She look better than the rest
Bet you never ever seen another girl like this
Like this, like this
Bet you never ever seen another girl like this

I got my high class chick
And she tellin me she wantin it all over again
So we pour a little tonic and we mix it with Gin
You can forget about your ex cuz I ain't nothin like him
I been the one that you run too, bump it and you go
dumb too
And I ain't talkin shoes when I say that I wanna pump
you
Girl come here I'm feelin you it's simple as that
And when I'm busy leave a message and I'll hit you
right back
Rat-a-tat-tat how I'm makin hits
Like a nice girl but I love a bitch
Love how ya feelin me up
Love the confidence in her strut
This chick got me trippin, to the bedroom and we
flippin out
Doin it dirty like we in the South
All started out with some mouth to mouth
Then her clothes came off and I went to town
Pressin on her body, fluid movement never sloppy
Every minute she beside me got us feelin like
insomniacs
We ain't never sleepin cuz we imbetween the sheets
and
Under covers steady freakin so you know right where
to find me at

Yeah, yeah and I'm feelin official
Got my high class chick and she lookin official
Everytime she come around
She look better than the rest
Bet you never ever seen another girl like this
Like this, like this
Bet you never ever seen another girl like this

So we had a great time
I'm a treat you like a queen, so come on and be mine
My approach is not a joke more like a flawless design
Honestly I had a little too much got too twisted all
because I had too much
Wine
Get a little better with time and I'm tellin you I had a
hella good night
Hard to say goodbye so I had to make sure that we met
up again
Cuz I'm tryna be more then friends, sinnin everytime
we meetin
Well that's relatively speakin, things are free for a
reason

So I never will be cheap and, you know I go crazy
When it comes to pleasin my lady
And the rest of them don't get my attention so they
hate me baby
Maybe cuz you special? No basketball but I press you
Do it all to impress you and it's been that way since I
met you
Yeah, so we should do this again
And again and again and again and again
I love ya grin when ya smile and ya tellin ya friends
That you ain't never met another guy quite like him

Yeah, yeah and I'm feelin official
Got my high class chick and she lookin official
Everytime she come around
She look better than the rest
Bet you never ever seen another girl like this
Like this, like this
Bet you never ever seen another girl like this
