You were my friend  
We were naive  
Running from trouble  
And chasin' our dreams

You were my crowd  
If I could pretend  
That you were still listening  
I'd sing it again

I know it's not supposed to be  
But wait for me  
Just wait...

We could be sorry  
We could be sad  
We could be lonely  
We could be mad

We could go back to the times we had  
Then it ain't so bad  
We could be sad

I always hoped  
You'd say how you feel  
Secrets you told me  
Forever seemed real

But time has a way  
Of saying goodbye  
And leaving you empty  
And watching you dry

I know you had the world to see  
But wait for me  
Just wait...

We could be sorry  
We could be sad  
We could be lonely  
We could be mad

We could go back to the times we had  
When it ain't so bad

We could be saaaaad  
We could be saaaaad

I know it's not supposed to be  
But wait for me  
Just wait...

We could be sorry  
We could be sad  
We could be lonely  
We could be mad

We could go back to the times we had  
Then it ain't so bad

We could be sorry  
We could be sad  
We could be angry  
We could be mad

We could go back to the times we had  
Then it ain't so bad  
We could be...

You were my crowd  
If I could pretend  
You were still listening.
