Don't feel like dancing  
Oh, can't you see my eyes  
They are screaming for you  
Your love is anodyne  
I'm gonna need a little more tonight

Why don't you take this somewhere  
It's like our beats are off here  
Turn up or kill your silence  
Something to let me know  
If I should walk or wait  
Walk or wait  
Walk or wait

Where's your reaction  
No need to read my mind  
Something's frozen in you  
Your love is anodyne  
Oh, are you gonna wake me up in time

Why don't you take this somewhere  
It's like our beats are off here  
Turn up or kill your silence  
Something to let me know  
If I should walk or wait  
Walk or wait  
Walk or wait

Let me know or let me go, oh, oh  
I don't deal with in-between, with in-between  
Let me know or let me go, oh, oh  
Why can't we take this to extremes, to extremes

Why don't you take this somewhere  
It's like our beats are off here  
Turn up or kill your silence  
Something to let me know  
If I should walk or wait  
Walk or wait  
Walk or wait
