Oh you never ever not please me  
You warm me up when Iâ€™m freezinâ€™  
Are you the one for me?  
You fix my broken machine  
Youâ€™re always making me blush on the cheek  
But it's go go crush  
You tied and tinker, my tinny ticker  
A flicker, sparkles up my heart  
I love the way that you tease me  
Your making life so breezy  
I think you are the one for me  
You fix my broken machine  
You make me shine  
Inside my insides  
Feel like butterflies  
I like you  
your the one for me  
You fix my broken machine

Chorus:  
My heart had fallen apart  
You made it feel brand new  
And you knew just what to do  
I had a heart broken heart beat  
I had a broken machine  
My heart had fallen apart  
You made it feel brand new  
And you knew just what to do...  
I had a heart broken heart beat

My heart has skipped a B-B-beat  
Looks like you fix it, wanna' a tre-tre-tre-treat  
My heart has skipped a B-B- beat  
Now I see you fix my machine

I like the way that you fixin' me  
Youâ€™re sweet like lemon squeezy  
You turn the key inside of me  
And make me see what we can be

I had a broken machine  
till' you came along to see  
It was pomp pomp pompin' away  
It should have been  
You make me shy  
Inside my insides  
Feel like butterflies  
I like you  
I think you are the one for me  
You fix my broken machine

Chorus

L-O-V-E,V-E  
Feel it all over me  
Oh L-O-V-E, V-E  
Say come on please  
Say come on please (repeats)

Chorus
