Why is your mouth a constant bag of empty talk, oh
You've lost me again
I am bored of hearin' 'bout your, listening to your
Constant bickering

Why do you keep ignoring me now
Why do you weep when no one's doin' no wrong
Why, how
No matter how hard I try, I'm the bad guy
But if I don't then you'll ask everyone but me
Whoa, oh

Why did you idiotize yourself
Just to sound like you're tough
Thinking that you'd blow me around
Why did you idiotize yourself
Thinking that you'll blow me around

Whatever, I never would hurt you like you do
I never would do it just to say I don't care too
Whatever, I never would hurt you like you do
I never would do it just to say I don't care too

Ah ah ah
Ah ah ah

Don't know what is runnin' your head
Such a blow that you could turn out this way
Breaks my beat to think that you're just not the same
one
I used to drop it all for

Why did you idiotize yourself
Just to sound like you're tough
Thinking that you'd blow me around
Why did you idiotize yourself
Thinking that you'll blow me around

Whatever, I never would hurt you like you do
I never would do it just to say I don't care too
Whatever, I never would hurt you like you do

I never would do it just to say I don't care too

Ah ah ah

Ah ah ah

Whatever, I never would hurt you like you do

I never would do it just to say I don't care too

Whatever, I never would hurt you like you do

I never would do it just to say I don't care too

Ah ah ah

Ah ah ah

Ah ah ah

Ah ah ah
