Okay  
N-n-n-n-n-nasty

What do you consider fun  
What do you consider fun

It just takes a minute to make some fun  
You don't need so many things to have some fun, oh,  
oh  
I'ma teach you how to have some fun (N-n-n-n-n-nasty)  
It will be like, fun natural fun, hey

Step this to it, get onto it  
'Till you f-f-feel it, use it  
Into fun and nasty gear  
Let's do this everywhere  
Oh, hey, hey  
Oh, it will be like, fun natural fun, hey

What do you consider fun  
Fun natural fun  
And what do I consider fun  
Fun nasty fun (Hey)  
What do you consider fun  
Fun natural fun  
And what do I consider fun  
Fun nasty fun (Hey)

What do you consider fun (Oh, oh, oh, oh) hey!  
What do you consider fun (Oh, oh, oh, oh)

Get to it now and let me show you how  
Flow with it like you know, don't raise a brow, whoa, oh  
There's just one thing stuck in my mind right now  
Oh, it will be like, fun natural fun, hey

Move right through it, jump up to it  
See you I-I-love it, do it  
Into fun and nasty gear  
We do it anywhere  
Hey, hey, hey

Oh, it will be like, fun natural fun, hey

What do you consider fun  
Fun natural fun  
And what do I consider fun  
Fun nasty fun (Hey)  
What do you consider fun  
Fun natural fun  
And what do I consider fun  
Fun nasty fun (Hey)

What do you consider fun (Hey)  
What do you consider fun (Oh, oh, oh, oh)  
What do you consider fun (Hey)  
What do you consider fun (Oh, oh, oh, oh)

Is this it  
Is this it

What do you consider fun  
Fun natural fun  
And what do I consider fun  
Fun nasty fun (Hey)  
What do you consider fun  
Fun natural fun  
And what do I consider fun  
Fun nasty fun (Hey)

What do you consider fun (Hey)  
What do you consider fun (Oh, oh, oh, oh)  
Hey  
Oh, oh, oh, oh  
What do you consider fun (Hey)  
What do you consider fun (Oh, oh, oh, oh)  
Oh, oh, oh, oh  
Hey  
What do you consider fun (Oh, oh, oh, oh)  
Oh, oh, oh, oh  
Oh, oh, oh, oh
