Hey lean diggy doggy,
Gotta bust right through this froggy.

In my throat I'll show you what's a toad in the hole.

This pole get slipping' down my Blackpool rock.
Get it get it raw, working on a fat cock.

You wan' it? wet my goat and lets go.

I want you working' up a funk stain, ridin' on my juice
train.
Propane, powering' up my baloney pony express.

Don't make a mess unless your slipping fast.
Squeelin' up like a pig, cookin' on that gas.
My Tranny mast is hoisted, so set sail super spode.

Ho.

I wanna hit yo bunkah, make room for my turbo
dunkah.
Heavy spunkah, don't act coy cause we're gonna start
the show.

Hooooo.

-

I wanna hit yo bunkah, hit yo bunkah, hit yo bunkah.

I wanna hit yo bunkah, hit yo bunkah, hit yo bunkah.
I wanna hit yo bunkah, hit yo bunkah, hit yo bunkah.
hit yo bunkah, hit yo bunkah, make room for my turbo
dunkah.
