Colour me your colour, baby Colour me your car Colour me your colour, darling I know who you are Come up off your colour chart I know where you're coming from

Call me on the line Call me call me any anytime Call me my love You can call me any day or night Call me

Cover me with kisses, baby Cover me with love Roll me in designer sheets

I'll never get enough Emotions come I don't know why Cover up love's alibi

Call me on the line Call me call me any anytime Call me oh my love When you're ready we can share the wine

Call me

Anytime anyplace anywhere anyway Anytime anyplace anywhere any day ay ay

Call me on the line Call me call me any anytime Call me oh my love When you're ready we can share the wine
