Ft. The Cataracs

My homie lend me some cash, thank you
Bartender fill my glass, thank you
Took a drug test and I passed, thank you
Pretty girls fiving me that ass, and all I can say is
Thank you! Let's go

Thank you, hold up, can I get 10 feet
Without a drunk bitch steppin on me?
Or at least get the men we can chill for
While I commandâ€¦ thank you
I'm like and a winner, 3 shots deep no sleep or dinner
Sending, so luxurious, it's enough to make a man
curious
Oh, keep up with my flow, I can teach you how to play
Oh, keep up with my flow, I can teach you how to play

My homie lend me some cash, thank you
Bartender fill my glass, thank you
Took a drug test and I passed, thank you
Pretty girls fiving me that ass, and all I can say is
Thank you! Let's go

Ve, ve, ve, ve, ve, my id is on my key
And even on my sweat clothes
I burn these hoes like a blank cd
You want party, drink a â€¦
Read a book, I'm book in fights
Dollar bills in my tummy, 2 countries, one night
Oh, keep up with my flow, I can teach you how to play
Oh, keep up with my flow, I can teach you how to play

My homie lend me some cash, thank you
Bartender fill my glass, thank you
Took a drug test and I passed, thank you
Pretty girls fiving me that ass, and all I can say is, hm.
