life's the same I'm moving in stereo life's the same except for my shoes life's the same you're shakin' like tremolo life's the same it's all inside you

it's so easy to blow up your problems it's so easy to play up your breakdown it's so easy to fly through a window it's so easy to fool with the sound

it's so tough to get up it's so tough it's so tough to live up it's so tough on you

life's the same I'm moving in stereo life's the same except for my shoes life's the same you're shakin' like tremolo life's the same it's all inside you

life's the same I'm moving in stereo life's the same except for my shoes life's the same you're shakin' like tremolo life's the same it's all inside you
