It's not the price  
It's not the game  
It's not the score  
It's not the fame  
When every road looks way too far  
It's not what you have  
It's who you are

It's not how fast  
It's not how far  
It's not of cheers  
It's who you are

In darkest night  
You make your sun  
You choose your race  
And then you run

It's never the glory  
It's never the score  
It's not about seeing about who's less and who's more  
Cuz when you find out how fast and how far  
You'll know it's not how much you have  
It's who you are

You lose the moon  
Then be a star  
It's not too soon  
Be who you are  
When every road looks way too far  
It's not what you have  
It's who you are

It's never the glory  
It's never the score  
It's not seeing about seeing  
Who's less and who's more  
Cuz when you find out how fast and how far  
You'll know it's not how much you have  
It's who you are

When you have found  
How fast you can run  
When you have found  
Your place in the sun,

It won't be just you that you'll find  
Has made the run and the climb  
It's everyone

It's never the glory  
It's never the score  
It's not seeing about seeing  
Who's less and who's more  
Cuz when you find out how fast and how far  
you'll know it's not how much you have  
It's who you are  
It's who you are

Learning to bend and not to break  
Living to give more than you take  
Dying to live  
Living to try  
Feet on the ground  
Dreams in the sky

It's never how much you have  
It's who you are
