Woke up feeling sweaty, I wanted to do something but I
was too tired
So I sat there and did noting, what a way to spend a
day

I've gotta wake it up gotta wake it up gotta shake it up
gotta shake my head get myself out of bed
I've gotta wake it up gotta wake it up gotta shake it up
gotta shake my head quit livin' like I'm dead

I wish I could fix this I can't wait to miss this I needed to
feel it can you take the time to kill time
I wish I could fix this I can't wait to miss this I needed to
feel it can you take the time to kill time

Can you take the time to kill time

So there I was, I was in my tent having breakfast it was
time well spent
Not caring what I was wearing or sharing a freckled
herring

I've gotta wake it up gotta wake it up gotta shake it up
gotta shake my head get myself out of bed
I've gotta wake it up gotta wake it up gotta shake it up
gotta shake my head quit livin like I'm dead

I wish I could fix this I can't wait to miss this, I wish I
could fix this
