Kiss me all night Lyrics

Hook:

Kiss me all night tell me if you like/
Kiss me all night we can do it right/
Tell me if you won't it, tell me if you like it/
Tell me if you need it, when can get it started/

Verse1:

One is like to is more go head let me ride you boat/
Why you ask what's this for; baby let me quote on
quote/
Baby please slow it down; kiss me good and kiss me
now/
No reason to play the ground but baby let me take you
down/
(Singing)
You like it, you won't it, I won't it to/
I won't it more then you do, let me get on it/
Tell me if you like it, no reason to fight it/
Baby yea I like you there no reason to stop it/
Slow down I can switch it up; head to my car in we can
go somewhere far/
Head to my apartment we can get easy, we can go in
flip it we can get it twisted/
Yo word my word in yea lets get it, get it, get it, yea lets
get it/
I know you know baby I'm in it, in it, in it/
