Iâ€™ve been wondering- wondering where you are
Iâ€™ve been wondering- wondering where you are
Itâ€™s been a long time coming and Iâ€™m still sitting here
wondering where
you are

Iâ€™ve been travelling- travelling from town to town
Iâ€™ve been travelling- travelling from town to town

I canâ€™t get no relief honey and Iâ€™ve been looking all
around

Some day baby, Iâ€™m cominâ€™ home to you
Some day baby, Iâ€™m runninâ€™ back to you
Itâ€™s been a long time cominâ€™ , I tried to leave you, but
itâ€™s hopeless no
matter what I do
