I believe
When the time comes I'll get my
Way
I can say that I'll make sure
They're all blown away
Artificial
All the way, a shallow sexy type
They'll say
Looks minus
Substance

I believe as
Adrenaline kicks in I'll
Be
Getting ready, drunk with
Anxiety
I'll be charming, to the
Masses
Looks minus
Substance

But everytime I watch
You
My mind is racing and my
Breath I loose
And everytime I
Get to touch you, touch you
Yeah
Every single time you get me
Hooked, get me hooked

They
Believe after all this act I'm
Displayed
A good look in the eye
Still sells the same
But then if
Our passion's steel, and no
Fantasy is real
(They're) all of
No substance

But everytime I
Watch you
My mind is racing and
My breath I loose
And everytime I
Get to touch you, touch you
Yeah
Every single time you get me
Hooked, you get me hooked
