Let me through  
Paper and fist  
Jessica numbers tell me if  
We're clear  
Write me a storm  
Just tape the letter to the door

This thing is your mission  
The lone wish and condition

Brave another road  
Jessica numbers to the wall  
Slip through  
Ever the thief  
Is posed to hero but we'll see

This thing is your mission  
The lone wish and condition

Push me through  
Counting the lies  
Measuring all our shadows by  
Old star  
Shift into red  
Just stick the numbers to the bed

Hairchipping up  
The sadness as it passes  
As word across  
The window frosting out  
Starting to feel the kicking here at last yeah  
Something worth keeping around

Let me through  
Paper and fist  
Jessica numbers give me this  
Let's fall  
Look where we land  
Just write the answer on my hand

This thing is your mission

The lone wish and condition

Jessica numbers how we do  
Jessica numbers how we do  
Jessica numbers how we do
