Woooo!
Standin' in line
Wastin' all my time
Watchin' the people lurkin' on by
Sippin' all my wine baby
Ahhhhh I'm feeling so fine
Can't you see this life
Is the life for me
Battle lies baby, trickery
Feel the motion movin' on your feet
You can't help but groove
Groove to the beat

Back by the seaside, diggin' the beach
Flat on the sand, oh yeah
Dead on my feet
Traveling back in time
Pulsing on baby, line by line
Yeah!

Woooo!
Sing a song, or two
Grab those dancin' shoes
But don't bring your money
Ah yeah, that's right
Cause they would only think you're hungry
Hungry for some fun
Dying one by one it seems too long
Long to be gone
Ahhh you're dreaming out loud
Underneath a rain cloud
Feeling so high as time goes by
Oh but you're thinking
And you're shrinking
It must be love

Standing in line
Wasting all my time
Watching all the people just lurking on by
Sipping some wine
Feeling so fine

Can't you see this life is for me?

A bag full of lies
Trickery
Feel the motion
Moving your feet
You can't help but groove
Groove
Groove to the beat
Back by the seaside
Digging the beach
Woaaa!
Flat on the sand
Oh yeah, that's right man
Dead on your feet
Traveling back in time
Pulsing line by line
Sing a story
Or a song or two
Grab those dancing shoes
But don't bring your money
Oh they would only think you're hungry
Hungry for some fun, dying one by one
It seems too long, long to be gone
Dreaming out loud underneath a cloud
Feeling so high as time goes by
But you're thinking, and you're thinking
And as you're thinking, you're shrinking
Oh it must be love
It must be love, it must be love, must be love, must be
love
Must be love, must be love, must be love
Love, love, love, love

Standing in line
Wasting all your time
Thinking about
Thinkin' about all the money you spent

Oh you're sitting on the beach baby
Wasting Time
You're gonna drink a little wine
And feel so fine
People lurk on by
And I don't know why
They stand and stare
Ah yeah I'm there
Feel the motion
Grab those dancing shoes
Drink a little booze
Feel the motion

Groove to the beat

Oh that's right
Foot fab a dance craze to grab

What?
Yeah

All right baby
Drink a lil wine
Feel so fine
And

Groove To The Beat
