LYRICS TO "LONG TIME" By: Glenn Davis Doctor G

It's Been a Long, Long, Long, Longtime
I Tried To Forget You Girl
But I Can't Get You Off My Mind
It's Been a Long, Long, Long, Longtime
They Say Good Things Come To An End
But I Just Want To Keep You Mine

Heaven's so lonely
Since you've been gone away
I know that it's only
Been just a couple of days
Oh how I'm wishing
To hear you call out my name
It's you that I'm Missin'
In every single way

It's Been a Long, Long, Long, Longtime
I Tried To Forget You Girl
But I Can't Get You Off My Mind
It's Been a Long, Long, Long, Longtime
They Say Good Things Come To An End
But I Just Want To Keep You Mine

Time moves so slowly
It seems to stand still
I know that it's only
A climb up that long, long hill
I can't change what has been
And I don't want to lose you again

If love is worth winning
I'm right here and singing

It's Been a Long, Long, Long, Longtime
I Tried To Forget You Girl
But I Can't Get You Off My Mind
It's Been a Long, Long, Long, Longtime
They Say Good Things Come To An End
But I Just Want To Keep You Mine

Let's put it back like it was
And please don't say just because
Life's short don't wait anymore
Come back and walk through that door
It feels like a lifetime
Since you have been mine
Lord you are so fine
I'm going out of my mind

It's Been a Long, Long, Long, Longtime
I Tried To Forget You Girl
But I Can't Get You Off My Mind
It's Been a Long, Long, Long, Longtime
They Say Good Things Come To An End
But I Just Want To Keep You Mine

Long, Long, Long, Longtime
Long, Long, Long, Longtime
