I went searching for love and
I found you
It was love at first sight
Was it the same for you
We were together before we even met
Yet so far apart
And I believe that it's time
For the wedding to start

Oh, oh, oh
Let's get married
Oh, oh, oh
We were meant to be
It's so easy to see
Oh, oh, oh
Sanctuary
To be as one
For eternity

It doesn't really matter
How we got here
The most important thing
Is that it's perfectly clear
For us to share the same
Most precious sacred bond
To be blessed with this gift
Means our love goes on and on

Oh, oh, oh
Let's get married
Oh, oh, oh
We were meant to be
It's so easy to see
Oh, oh, oh
Sanctuary
To be as one
For eternity

So now here we are
At the altar
Joined as one

Our love will never falter
It's unconditional in every single way
Now we're joined together
On this our wedding day

Oh, oh, oh
Let's get married
Oh, oh, oh
Let's get married
