Yeah!
Yeah!
I'm gonna do it to ya
Here we go!

There you go baby
Walking down that street
Turning every single head that you see
You say I'm crazy
I'm a little bit insane
But girl I ain't playin' around
This love is no game

You are the one for me
And I am the one for you
You are the one for me baby
I am the one for you

There you go baby
Walking down that street
Turning every single head that you see
You say I'm crazy
I'm a little bit insane
But girl I ain't playin' around
This love is no game

I ain't playing around, you know
Uh huh, oh yeah
I like it, I like it
Yeah
Make it real smooth
Take it to the solo

There you go baby
Walking down that street
Turning every single head that you see
You say I'm crazy
I'm a little bit insane
But girl I ain't playin' around
This love is no game

You are the one for me
And I am the one for you
You are the one for me baby
I am the one for you

You're so much fun
Shake it yeah!
That's right
You know it baby!

U R The 1 For Me!
