You & Me Lyrics

Hmmm... yeah  
Hey baby  
I think it's time we face the truth of what we are  
Friendship only goes so far (goes so far)

Yeah lately (yeah lately)  
when you smile i see forever in your eyes  
its like you got me hypnotized

You drive me crazy, crazy, crazy  
Yea you're always on my mind  
if you don't know what i've been trying to say  
i'll tell you one more time

i'm talkin' bout us  
i'm talkin' bout destiny  
i'm talkin' bout everything that matters  
between you and me

i'm talkin' bout us  
i'm talkin' about honesty  
i'm talkin' about all the love that's waiting  
between you and me, you and me

woahh, woahh.... woahh, woahh

Hey baby  
the way you're standing there all fire and perfect skin  
you turn my on and pull me me in  
you can see it  
but when i'm with you all the stress in me subsides  
at every moment we collide  
(oh yeah)

You drive me crazy, crazy, crazy  
Yea you're always on my mind  
if you don't know what i've been trying to say  
i'll tell you one more time

i'm talkin' bout us

i'm talkin' bout destiny  
i'm talkin' bout everything that matters  
between you and me

i'm talkin' bout us  
i'm talkin' about honesty

i'm talkin' about all the love that's waiting  
between you and me, you and me

Baby, you are the light in the dark of my night  
you're always shining through (yeah)  
Baby, I got a feeling that you're gravity's stealing my  
for you

You drive me crazy, crazy, crazy  
I think it's time to face the truth  
so tell me if you feel me, baby  
'cause i'm so in love with you

i'm talkin' bout us  
i'm talkin' bout destiny  
i'm talkin' bout everything that matters  
between you and me

i'm talkin' bout us  
i'm talkin' about honesty  
i'm talkin' about all the love that's waiting  
between you and me, you and me

i'm talkin' bout us  
i'm talkin' bout destiny  
i'm talkin' bout everything that matters  
between you and me

i'm talkin' bout us  
i'm talkin' about honesty  
i'm talkin' about all the love that's waiting  
between you and me, you and me  
i'm talkin' bout us  
i'm talkin' bout destiny  
i'm talkin' bout everything that matters  
between you and me

i'm talkin' bout us  
i'm talkin' about honesty  
i'm talkin' about all the love that's waiting  
between you and me, you and me

woahh, woahh... woahh, woahhh  
woahh, woahh... woahh, woahhh
