There are cars and scars and dim lit bars
that bleed through the window, as I grieve
through the shadows that you leave me in.
But the bars and cars could stop the stars
that shine where Iâ€™m going, where Iâ€™m flying
where Iâ€™m flowing to find my fine
feeling.

Iâ€™ve been stuck on the ceilings.
Stuck in a world thatâ€™s got nothing but
dust bones and shovels.

Well Iâ€™m sick and Iâ€™m coming to see ya
Shine into me. Iâ€™m incomplete. I am tired
and this roads getting longer.
Whyâ€™s it got me head over feet?
Iâ€™m not sad, Iâ€™m just mad for the moment.
Soon it will change, youâ€™ll stain my pain
With your smile, with your smile.

Well the light will change the views
the same determined in chance.
I canâ€™t wait for the chance

to get to you.
There are fires and tires and telephone wires
That lock sweet reunion and stop season two
ones together from finding that fine feeling.

Iâ€™ve been stuck on the ceilings.
Stuck in a world thatâ€™s got nothing but
dust bones and shovels.

Well Iâ€™m sick and Iâ€™m coming to see ya
shine into me. Iâ€™m incomplete. I am tired
and this roads getting longer.
Whyâ€™s it got me head over feet?
Iâ€™m not sad, Iâ€™m just mad for the moment.
Soon it will change, youâ€™ll stain my pain
With your smile, with your smile.

Turning the sweet, finding your feet,

Words incomplete, there is no need.
There's my shine, like all of time.
Follow the light as I'm getting closer to Heaven.
