Today I woke up in a different place.  
Everything was out of place and I  
was needing something more.  
Space that I possess is feeling vacant  
Gracie was designed complacent and I  
am needing more.

But Iâ€™m stuck on a sideline,  
Watching a big time.  
Seated in my hesitation.  
Needing a soul shine,  
need to be outside pulling from,  
pulling from the inside.

Hey Iâ€™m pulling from the inside out, yes.  
Hey Iâ€™m pulling from the inside out,  
Iâ€™m pulling from the inside out.

The waves, left me lying on my face  
Lifted into your embrace, you know  
Iâ€™m stainless with you.  
Iâ€™m walking the sideline,  
watching a big time.  
Seated in my inspiration.  
Having a soul shine,  
having it outside pulling from,  
pulling from the inside.

Hey Iâ€™m pulling from the inside out, yes.  
Hey Iâ€™m pulling from the inside out.

The walls that you build up will bring you down  
If you donâ€™t let it go.  
Iâ€™m wanting you, Iâ€™m needing you,  
Iâ€™m saved by you.

Hey, hey Iâ€™m pulling from the inside out.  
Iâ€™m pulling, Iâ€™m pulling.  
Hey Iâ€™m pulling from the inside out, yes.  
Hey Iâ€™m pulling from the inside out.  
Iâ€™m pulling from the inside out.
