If you could change the
choices that you've made,
Would you do it today?
If you could spin the world
The other way,
Could you do it on faith?

If time stands still
What would you do,
What would you say,
If everyone you loved
Came back for just one day?
How would it feel
if every dream was real?
All the scars you have
fade away, just one day.

Imagine all the times
That you could take back.
What would you have done differently?
Thoughts in your head but never said,
the heart that you broke and left for dead.
If all the hurt you had could be released.

How life flies by.
What would you do,
What would you say,
If everyone you loved

Came back for just one day?
How would it feel
if every dream was real?
All the scars you have
fade away for just one day.

All the nights,
all the good times
and the fights.
All the take and the give
all the moments
that we never got to live.

ohh

What would you do,
What would you say,
If everyone you loved
Came back for just one day?
How would it feel
if every dream was real?
All the scars you have
fade away for just one day.

What would you do,
What would you say,
If all the love you lost
you had would heal,
For just one day.
For just one day.
For just one day.
