You were always the first to let me know
I was always the last to let it show
Holding onto my fear it would appear
I couldn't bend, now I can pretend

I'm breaking, I'm taking off
'Cause I'm ready to find you
bringing the past to a pause
and I leave it behind me.
You're the one I want for love or loss
so I'm ready to take the fall.

Looking up at a pearl in the sky.
You are summer time,
I am just a fire fly.
Lighting up I emerge
to a feeling I can't hold.
I'm letting it go.

I'm breaking, I'm taking off

'Cause I'm ready to find you
bringing the past to a pause
and I leave it behind me.
You're the one I want for love or loss
so I'm ready to take the fall.

I don't want to sedate this emotion
Slow the burning wheels
and turn the tide.
You're the one I want,
you're the one I want for love.

I'm breaking, I'm taking off
'Cause I'm ready to find you
bringing the past to a pause
and I leave it behind me.
You're the one I want for love or loss
so I'm ready to take the fall.
