Arise, come on, Church, arise.
Arise, come on, Church, arise.
Arise, come on, Church, arise.
Arise, come on, Church, arise.

Sick of how church is run today,
full of people living their own way.
They punch in the time clock
and sit upon a pew,
hoping to hear something
that will make them move.

Arise, come on, Church, arise.
Arise, come on, Church, arise.

Darkness fills the church today
as hearts grow cold and those in faith begin to sway.
Striving for self and only temporal gain,
we push worship out and silence praise to God's name.

Arise, come on, Church, arise.
Arise, come on, Church, arise.

Broken homes litter us nationwide,
an ocean of people with no hope left inside.
It's time to wake up God's people
to speak the Good News,
shine a light in the darkness
and take a walk in God's shoes.

Arise, come on, Church, arise.
Arise, come on, Church, arise.
Arise, come on, Church, arise.
Arise, come on, Church, arise.

It's time, it's time, it's time, it's time,
it's time to wake up from our slumber.
(Repeat)
From our slumber, from our slumber,
from our slumber, from our slumber,
from our slumber, from our slumber.

Arise, come on, Church, arise.
Arise, come on, Church, arise.
Arise, come on, Church, arise.
Arise, come on, Church, arise.

Arise, come on, Church, arise.
Arise, come on, Church, arise.
