Gracious Father, I give to You my heart.
Gracious Father, I give to You my heart.

I lay all my concerns at Your feet
where, at this time, just you and me meet.
I want to soak in Your presence.
I want to breathe in Your air.
Come dwell in my heart,
take sanctuary there.

Gracious Father, I give You my heart.
Gracious Father, I give You my heart.
Give me a fire that consumes this heart of mine
and a passion to follow all Your ways.
May I never waver or let go of Your guiding hand.
Let me be a light to the weary and the lost.
Let me be Your light to the weary and the lost.

Gracious Father, I give You my heart.
Gracious Father, I give You my heart.
