I've got a joy swelling up in me  
and it's something I just gotta get out.  
A burden has been lifted,  
a hope was placed within  
when I met my Savior  
and He freed me from my sin.  
(Repeat)

I want to sing and dance,  
sing and dance, sing and dance  
for what the Lord has done for me.  
(Repeat)

And now I have a new hope found in Christ  
and a joy that never will leave me.  
He gives a hope and freedom,  
grace and mercy, and His everlasting,  
His everlasting love.

I want to sing and dance,  
sing and dance, sing and dance  
for what the Lord has done for me.  
(Repeat)

And now I have a new hope found in Christ  
and a joy that never will leave me.  
He gives a hope and freedom,  
grace and mercy, and His everlasting,  
His everlasting love.

I want to sing and dance,  
sing and dance, sing and dance  
for what the Lord has done for me.  
(Repeat)

And there are times I have turned my  
back to things of this world,  
but He remains the same,  
His love will never change  
as He takes away all my sin and shame.

I want to sing and dance,  
sing and dance, sing and dance

for what the Lord has done for me.  
(Repeat)
