For too long, I've been living with this sadness.
For too long, I've been running on my own.
For too long, I've been holding to this shame inside
and now I'm ready, Lord, to give it all to You.

Your love washes over me like an ocean,
feeling the waves of forgiveness and Your mercy.
So I quiet my heart to hear Your voice
as I rest in Your arms.
I am waiting on You as You make me whole again.

For too long, I've been listening to this world speak.
For too long, I've been tossed to and fro.
For too long, I've been living with defeat inside
and now I'm ready, Lord, to give it all to You.

Your love washes over me like an ocean,
feeling the waves of forgiveness and Your mercy.
So I quiet my heart to hear Your voice
as I rest in Your arms.
I am waiting on You as You make me whole again.

I find my freedom in You.
No one can touch my heart like You do.
The chains are all broke as You mend my life.
I'm ready to stretch my wings and fly.
I am waiting on You as You make me whole again.

Your love washes over me like an ocean,
feeling the waves of forgiveness and Your mercy.
So I quiet my heart to hear Your voice
as I rest in Your arms.
I am waiting on You as You make me whole again.
Lord, I'm waiting on You as You make me whole again.
