Word of life, You're the sacrifice
for my atonement of sin.
You brought me out of the grave
and breathed new life within.
Son of God and Light to all men,
Cornerstone of Truth,
by grace You guide my hand.

I'm Your child and I trust in You alone.
You have promised me You'll never
leave Your own.
(Repeat)
You have promised me,
You have promised me,
You have promised me
I am Your child.

I'm Your child and I trust in You alone.
You have promised me You'll never
leave Your own.
(Repeat)
