[chorus]

Lights down low, music up loud
when we drown out the sound
of her body going.....oh oh oh oooo
lets make love in my lambo
my lambo girl

[verse 1]

she my down ta ride chick
love ta hit the strip
when i pull up, doors up
she say it make her drip (daddy)
leather in whip
grippin on my stick
she say go faster, she just love it when i shift
never ever care what the speed limit is
aint no limit when im dippin baby grippin when i rip
INT on the radio she turnin up the beat
engine purrin, got her squirmin
always make my baby weak
beep beep you can hear her hummin
you can hear me comin
150 on the dash, like its really nuffin
you see me creep up quickly
yall cant keep up wit me
hit the ebrake make the lambo flip a 360
she like the way we roarin
its like a plane im soarin
she say it make her horney
she climbin all up on me
she whisper in my ear
somethin yall aint never hear
"ya lambo drive me crazy, baby you can take me
anywhere"

[chorus]

Lights down low, music up loud
when we drown out the sound
of her body going.....
lets make love in my lambo
my lambo girl

[verse 2]

she say my lambo so sexy she just cant believe its real
say my leather so soft she just love the way it feel
and them tires so skinny like we rollin on the wheel
ridin pretty thru the city she just love it when they
squeal

aint nobody got a body like my wide body tho
my girl got a body wit more curves than the road
and whoa (woah) you know i almost lost control
baby slippery when wet, she like ice when it snow
and you know she gettin crazy, girlie takin off her
clothes

nuthin faze me when she say she like the way i take
control

go-in crazy when im floatin dippin rollin thru the
tolls

she cant barely stand the pressure when im pression
on

the polls

she so crazy now she sayin things that always make me
go

hmm mmm yeaa ohhh

damn lady maybe i should pull off of the road

she say daddy drive me crazy anywhere you wanna go
