[chorus]

aint no stoppin what we do
we goin move on up
aint no haters in our view
we just move on up
if you hatin what we do
you just loose our love
if you messin wit our crew
you can move with us

[verse 1]

imma hop in the porsch
376 speedin right by the cops
they cant stop me naw
im so high out the reach of the law
top speed im out
just blue skies dont see no clouds
(cept one) silver lined and a number 9
(top gun) fly high when im in my ride
Im invincible, your invisible
cause you see me, but i dont see you
you try to be me, im tryin to be true
i do me, why dont yall do you
just stay out my path
try to slow me down think im goin crash
(hell naw) i hit the gas
see me fly by top down i laugh (ha ha)

[chorus]

aint no stoppin what we do

we goin move on up
aint no haters in our view
we just move on up
if you hatin what we do
you just loose our love
if you messin wit our crew
you can move with us

[verse 2]

Mr. I.N.T.

School of hard knocks no G.E.D. (i passed)

graduated of course
head of the class, skipped every course
learned every trick in the book
sold my books for a beat and a hook
teachers pet, grade A student
learned the system, i abused it
its not what i had, but how i used it
loud mouth, yea called me acoustic
principle called im bout to loose it
"Mr. I.N.T." is there a problem Mrs. Houston
Didnt think there was
showed up late with a bit of a buzz
i cant help i started off tragic
look at me now, im a star like magic
