[verse1]

imma kid, still ridin on big wheels
gotta ice chain, big chills
independant style, no deals
rollercoaster life, big thrills
pockets on swoll, big bills
sip patrone all night, no spills
if you a dime then u know the drill
imma show you how a star feel

[chorus]

so baby lets go
we aint gotta fall in love nah
baby we can ride we can ride till the sun comes up
again
tell me what cha want
what cha what cha need
you aint gotta ask if you ride with me
ride wit me ride wit me
say you aint gotta ask if you ride, if you ride, if you
ride
say aye oh
aye oh
say aye oh
aye oh
tell me what cha want
what cha what cha need
you aint gotta ask if you ride with me
ride wit me ride wit me
say you aint gotta ask if you ride, if you ride, if you
ride say

[verse2]

come on girl you can hop in, my spaceship
ill show it all off, starting with the basics
then its on to my next trick
roll a good one up, and blaze it...yea
and my phone like the matrix
futuristic, i cant even text yet

damn i cant even say shit,
im so high i think im wasted

so if you lookin for a nigga you can ride wit
im the one if you lookin for a fly lift
you aint gotta kiss, on my lips
but you'll probably fall in love, off my dick
its hard to quit once you try this
many bitches go insane when they ride it
its hard to hide all my flyness
and all my other fly shit

[verse3]

man im so high, i think that i can see worlds
supply the opposite of dry, like sea world
im so fly cant you see girl
and my ride so sick, make me hurl
it aint nothin to a star tho
hard to see im everywhere like waldo
blowin smoke up in the air, im so blowed
i brought alot so i can share, what im on
so if u see me do not stare,
if we agree on smoking dro, i do not care
you ride wit me, so you can never say shit
just roll my windows up so i can keep on blazin
and this weed is amazin
cant feel my face, yea i think i need a face lift
matter fact i think i need some face bitch
i need it quick so then u ride wit
