I just cant help she got me
sew addicted sew addicted

Verse 1:

ladies in them flashy clothes
high heels and open toes
Tiny tees and mini skirts
pop and lock and make it twerk
i love the way she flirt
she drive a man beserk
and if she playin hard to get
them imma put in work
see she caught me by surprise
because she always lookin nice
and the way she flash them eyes
got a brother hypnotized
i dont know just what to do
the way she walk across the room

im starin no comparin
she the one im tryin to get next to

Verse 2:

So i had ta step my game up
new style and chained up
new swang New name
Fame, i done came up
Im fienin for that fashion high
release my inner passion side
she glancin right
im thinkin like
maybe we could smash tonight
shes sew addicted to the glamour glitz and flashin
lights
and i admit it, im addicted to her hips and lips and

thighs

and if she with it, im committed imma call her wife
and since we both sew addicted, guess we'll be like
that for life
