sha-she she make me wanna stay

sha-she she make me wanna stay

[verse 1]

i must be trippin  
i aint never fell before  
mostly they the one to fall  
this time its different tho  
i never look for love  
but love came and found me  
i try to lock it out  
but love found its own key  
i never seen it comin  
it caught me blindside  
i try to be like im fine  
but nah man im lyin  
i gotta speak the truth  
i heard it sets you free  
believe me when i say it  
this exactly what she do to me

[chorus]

aye, she make me wanna  
sh-she make me wanna  
sh-sh she make me wanna  
sha-she she make me wanna stay  
she make me wanna  
sh-she make me wanna  
sh-sh she make me wanna  
sha-she she make me wanna stay

[verse 2]

i must be goin crazy  
i dont even know whats up  
love takes time but my minds like times up  
i cant erase it, i can not hide

i tried, now i gotta face it  
just gotta let it ride,  
imma still ride tho keep my head straight  
grind for my money, so my honey get real estate  
and realera cake, price never hesitate  
ice so she feel the skate  
cause every day she make me wanna
