[Verse 1]

we go way back in the day  
like frank and beverly, mayes  
perfect together in any weather

worlds so cold be she feel riiight  
im high again, not on weed just oxygen

spur of the moment, no plans or taskin  
she say yes no hesitatin  
so what you need i got you mayne

Two keys one track and one train  
two clips one gat and one aim
