Sadden beyond
What worth my land
You can't ignore
My dominance

That was my choice
Raise my sign
The sign of dark
Of pentagrams

We have to judging
Every one here
We can lose them
Every thing real

Sign of the death
For every one
Who didn't accept?
Our bloody lust

Here my ways of real visions
Control them mind's with my blood
Let them feel with my doom

They used to tasting my blood

The Captives virgins
Inside my court
The hall of doom
To choosing them way

Obeying my lust
Drink my blood
To the immortal life
to my sexual lusts

Captives of the bloody war
Inside my court
The hall of doom
To choosing them way

The Captives gothic virgins

Inside my room
Waits my coming
To suck my hand
