This is my ways  
To let you Obey  
For my oblivion

Inside my room  
The secret doom  
Of my dark

Empirical test  
For my spell  
To find my power

Here my choice  
To make you feel  
The immortal life

You are now  
Inside my circle  
Of the addiction

Smell my blood  
Tracking me  
To suck my hand!

We have now  
The new guest  
To our world

Chose your virgin  
Enjoy her lips  
Suck her neck

You have to learn

The spell of the paster

Inside my dark  
You see them path

Traveling by wind  
To feel our freedom

You can't feel the time  
Your life without end

You live to die  
Your home is your tomb!

Amusing your life  
With lifeless virgins

You have empirical test for my spell  
You can't ignore my empirical test  
You need to empirical test for my spell  
You have empirical test for my spell  
for my spell
