Towards my opinion  
Of vital evacuation  
The necessary of eternal  
To another section  
Of the coldest earth  
Ignoring for every thing

This is my decision  
No one can affect on me  
There is no human  
Can stopping my eternal  
Of my bloody need  
Depiction Of reality  
Inside my mind  
It is another side of my try

From my land, I feel the darkness shadows  
I lust to the doom of my abandoned lost castle

Inside my tomb, my blood is cold  
My mind still searching  
To reach the dark horizon

Iâ'm thinking all the time  
My body need to blood  
Iâ'm afraid of my weakness  
If there is no source  
Of my body lust  
To my virgins blood

I must use my magic  
To reach my dark path

Towards- my path- I fight  
With my bloody sword

My hands- with magic-  
Of the death- to let them decay

My blood increase-  
Towards my eternal- empty darkness land  
By drinking my enemy blood's

From my land, I feel the darkness shadows  
I lust to the doom of my abandoned lost castle

Inside my tomb, my blood is cold  
My mind still searching  
To reach the dark horizon  
Iâ'm thinking all the time  
My body need to my virgins blood

From lifeless land, I feel the dark  
I lust to the doom of my abandoned castle

Of my abandoned lost castle
