Speech:

Iâ'm here in the dark forest  
Searching for some one  
To share me my dark inside

Here my true life  
Of my sunset  
Sunset to the dark  
To find my loneliest

Here my torture  
Of my blames  
Here my suffer  
From my pains

I hiding in the dark  
From my self

Ignore my life  
To find myself

(Solo by : Azareum)  
I lost my gate  
Of the eternity

Nothing I have  
Except my legacy

I lost my gate  
Of my eternity

Nothing I have  
Except my legacy – my legacy

My resorting to the dark  
Is my legacy

To imagine the sky  
My special world

Iâ'm here at the dark shadow of the Sunset
