1st Verse

(Ralph)
I've been knowing you several years
Watched you laughed even shed tears, my dear
But we've only been friends kept it like that
Now we getting older and i don't know how to act
As of matter of fact there's something i wanna ask and
it's....

Chrous

Have you ever considered me
As the best man for you(please tell me the truth right
now)
Have you ever looked at me and said
That who i would say i do to(i'm talking bout your futher
now)
Have you ever imagined me
As the best man for you

HAVE-YOU-EVER

2nd verse

(Ricky)
I know i'm coming out the blue, so suddenly
Just wanted to make sure i was ready
To be infactuaded listen to me
Can't you see(i'm so tierd)
Of spending time with other women(so sick and tierd)
Of spending my money and don't wanna(i hope you
tierd)
Of just being friends and keeping it like that
Cause we're getting older and i don't know how to act
As of matter of fact there's something i wanna ask and

it's....

Chrous

Have you ever considered me
As the best man for you(come on and don't be
embarassed and tell me)
Have you ever looked at me and said
That who i would say i do to(no one can fit this song but
