Johnny:

I'm standing here  
All alone  
This nights about to end  
(I'm looking for somebody)  
To wil' out with me  
Sexually  
Come with me, baby  
Girl it's been long  
Close the door  
Shed your clothes for me nice and slow  
Will you dance for me(dance for me)  
Freak for me (freak for me)  
Give it to me  
All I wanna know ....

Chorus:

Who's gonna come home with me tonight (will you  
come home with me tonight)  
Who's gonna lay her body next to mine (lay your body  
down next to mine)  
Who's gonna come home with me tonight (aww baby)  
Tell me who baby (tell me baby yeah yeah)  
I just wanna know who

Johnny:

Here's the part where I can make your body start to  
tremble (no no no no no)  
Girl your body's tight  
That's why I decide  
To choose you tonight (mmm)  
Jump in my bed so I can take you undercover  
Making love room to room until the sun's up  
Then I'll let you fall asleep naked on me (naked on me)  
This is our bedroom scene (baby baby baby baby baby  
baby baby)

Chorus:

Who's gonna come home with me tonight (it's  
alright)(will you come home come home)

Who's gonna lay her body next to mine (who's gonna  
give all the love that I need)  
Who's gonna come home with me tonight (one little  
question)

Tell me who baby (who...is it you baby....is it you baby)  
I just wanna know who

(Get ready to take my love tonight) (alright)  
See cause i'm gonna take you all the way down tonight  
(Get ready for what's in me through love)  
See I want to wrap my arms around you tonight  
And I want you to feel my love (Get ready to taste my  
love every drop)  
Cause i run deep so deep so deep  
Inside your love cause I got one question baby  
(ahhhhhhhhh)  
If you're ready to feel it and taste it  
Come on and take it

Chorus:

Who's gonna come home with me tonight (come on  
come on come on baby)  
Who's gonna lay her body next to mine (i sware the  
things i'll do to you)  
Who's gonna come home with me tonight (nobody else  
will do to you tonight)  
Tell me who baby (come on come on come on)  
I just wanna know who

Chorus repeated till end
