[Chorus (2x):]

I need a girl that wanna dance 'cause im feelin it feelin
it
So turn around if you're feelin it
Girl your moving that thing and im feelin it feelin it
So let me know if your feelin it baby

Baby ive been waiting for you
To come across the room and start your night with me
Take a chance i know you want too
So tell me what you like I'll be your fantasy ahhh baby
c'mon

I like the way you do your thing
The way you work that body really turns me on
And girl when you move that way it's so enticing
So baby come on over before this feelin is gone!!!

Girl i got a premonition
That you'll be in my room before the night is through
whoa whoa
So won't you give me your permission
Cause there's so many things i want to do to you ahh
baby c'mon

I like the way you do your thing
The way you work that body really turns me on
And girl when you move that way it's so enticing
So baby come on over before this feelin is gone!!!

[Chorus 2x]

[Rap:]

Yeah! c'mon

Are you feelin it

The way that im feelin it

Dress cocked up and ashamed of revealin it

Im a gentlemen but i feel like drillin it

Till i got you open speaking that gibberish

Now who's this? shorty with the millionaire dress on

She need a real don to come get her

And come sit her in V.I.P.

With Blake C. and the rest of the boys from N.E.!!

[Chorus 2x]
