[got to gimme your love]  
[got to give it up]  
[got to gimme your love]  
[just can't get enough]

I said gimme the love that I need so bad  
'cause girl, without you i'm, oh, so sad  
I never want to be without you  
Without you, girl, I don't know what i'd do

[got to gimme your love]  
[got to give it up]  
[got to gimme your love]  
[just can't get enough]

Gimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love

You are the one for me now, baby  
And i'm the one for you  
Whenever i'm without you, darlin'  
I don't know what to do

You got me, girl (you got me, girl)  
You know it (you know it)  
You got me, girl (you got me, girl)  
Don't blow it (don't blow it)

I got to tell you just how I feel  
'cause all these feelings are all for real

Gimme your love (gimme your love), I want it (I want it)  
Gimme your love (gimme your love), I need it (I need it)  
Gimme your love (and gimme your love), I want it (I  
want it)  
Gimme your love (and gimme your love) [i got to have  
your love]

Every night and every day, my baby

I??m thinkin?? of you  
I would die if you left me, darlin??  
[tell me] oh, what should I do

You got me, girl (you got me, girl)  
You know it (you know it)  
You got me, girl (you got me, girl)  
Don??t blow it (don??t blow it)

I just got to let you know  
I could never let you go

Gimme your love (gimme your love), I want it (I want it)  
Gimme your love (and gimme your love), I need it (I  
need it)  
Gimme your love (gimme your love), I want it (I want it)  
Gimme your love (gimme your love)

I said gimme the love that I need so bad  
??cause girl, without you i??m, oh, so sad  
I never want to be without you  
Without you, girl, I don??t know what i??d do  
If I had the world, girl, i??d give it to you  
I promise that I will always be true  
Now let me get right down to the point  
What i??m tryin?? to say is i??m selling the joint  
Give me your love, girl, uh, give me a kiss  
This is something you should not miss  
And girl, don??t make a big mistake  
??cause this is something my heart just cannot take  
What i??m tryin?? to say is i??m the one for you

[got to gimme your love]  
[just can??t get enough]

Gimme your love (gimme your love), I want it (I want it)  
Gimme your love (gimme your love), I need it (I need it)  
Gimme your love (gimme your love), I want it (I want it)  
Gimme your love (gimme your love)

Gimme your love (gimme your love), I want it (I want it)  
Gimme your love (gimme your love), I need it (I need it)  
Gimme your love (gimme your love), I want it (I want it)  
Gimme your love (gimme your love)
