I don't love her  
I tried to tell myself  
But you can see it in my eyes  
So don't deny I can't fool no one else  
The truth is in the tears I cry

Cause if it isn't love  
Why do I feel this way  
Why does she stay on my mind  
And if it isn't love  
Why does it hurt so bad  
Make me feel so sad inside  
If it isn't love

I told her I'd never fall in love  
But now I know better  
How does it feel I can't describe this feelin'  
That came when I saw her last night  
She got to me  
I'll let you know the reason I saw her with another guy

So if it isn't love  
Why do I feel this way  
Why does she stay on my mind  
And if it isn't love  
Why does it hurt so bad  
Make me feel so sad inside

And if it isn't love  
Why do I feel this way  
Why does she stay on my mind  
And if it isn't love  
Why does it hurt so bad  
Make me feel so sad inside  
If it isn't love

Maybe she'll take me back  
(Hey girl he's begging)  
I made a big mistake  
(Won't you forgive him girl)  
Now I can feel it

(He's never felt before)  
I really love her  
(You love her? What!?)

I took my heart  
To shatter in a thousand pieces  
Before I'd ever drop my pride  
Losing love worrying about my image  
Really helped me realize

If it isn't love  
Why do I feel this way  
Why does she stay on my mind  
And if it isn't love  
Why does it hurt so bad  
Make me feel so sad inside  
If it isn't love
