Save tomorrow for me
I'm comin' home to you
Oh girl my baby
(repeat)

I just called you up
Because you've been on my mind
So I can tell you what I feel
Ooh I'm missing you
I've been away too long
Now I'm coming home to you
It's been hard for me
To fall asleep at night--my love
Because without you
I feel so--alone
So I'm coming home

Save tomorrow for me
I'm comin' home to you
Oh girl my baby
Save tomorrow for me
I'm coming home to you
Oh girl my baby

Since the day I left
And you went on your own way
My life's just not the same
Ooh baby I'm needing you
And longing for your touch
Can I get a message through

I can hardly wait
To hold you in my arms
Oh girl
So don't be busy
Cancel everything
'cause i'm
Cause tomorrow's my day

Save tomorrow for me (aw baby)
I'm comin' home to you (and I want it all)

Oh girl my baby (my baby)
Save tomorrow for me (aw baby)
I'm coming home to you (girl, I'm comin' home)
Oh girl my baby (my baby)

Save tomorrow for me (missing you....needing you)
I'm comin' home to you (wanting you...each and every
minute of the day)
Oh girl my baby (yeah)
Save tomorrow for me (I know you know. sugar, I know
you know.)
I'm coming home to you (I'm comin' home to you)
Oh girl my baby (?)

Away too long
Missing you so I'm comin' home
Save me tomorrow
Away too long
Missing you so I'm comin' home
Save me tomorrow

Save tomorrow {repeat away too long...}
(baby save tomorrow 'cause I'm comin home)
(because without you I feel so alone)
(since the day I left)
(I was needing you)
(now I'm comin' home)
(my baby to you)
(can I get a message through)
(because I'm comin' home)
(home home home home)
(home)

I love you. I love you, too.
