(Ralph Speaks) Last time

Verse 1

I never had a love I couldn't handle but lately since I  
lost my baby  
I cried about it all the time can't let it go and I don't  
know what to do no more

Chorus

The last time I'll ever love someone again  
Give my heart like that again  
That was the last time I'll ever trust somebody else I  
don't need nobody else

Verse 2

There's something bothering me today  
I haven't heard your voice on my phone(ooh ooh ooh  
oh)  
My brother said he saw you and you didn't even ask for  
me at all  
I don't even know why you let me, my heart is aching  
Oh I'm so lost for words I can't explain how I'm feelin'

Chorus

Bridge

Lately I've been missing you everyone's been seeing  
you  
Why should I pretend my heart's been broke again  
It makes no sense to claim you know  
Where were you when I was down  
It doesn't even matter at all everyone has to fall

Chorus
