Yeah

I'm sitting here, writing this letter,
Hoping it will make you feel better.
We've been through the sunshine and the rain.
And I never realized that you were in pain, yeah.
Someone has mistreated you,
Left you all alone and blue.
And don't you know it hurts me, too,
And, baby, I know my life won't be the the same.
And if you hear me call your name girl...

Shoo bee doo wop
Maryann,(Shoo bee doo wop.Shoo bee doo wop) you
will never need another.
Shoo ba dee bop
Here I am. (Shoo bee doo wop.Shoo bee doo wop) I will
be your real lover.

Someone else's plans and his schemes
Left you with these broken dreams-
Dreams that keep you up all night, yeah.
I know my life won't be the same.
And if you hear me call your name, girl.

Shoo bee doo wop
Maryann,(Shoo bee doo wop.Shoo bee doo wop) you
will never need another.
Shoo ba dee bop
Here I am. (Shoo bee doo wop.Shoo bee doo wop) I will
be your real lover.

You and I can make it if stay together, baby.
And if we try, we will last until forever. Whoa, whoa!

Shoo bee doo wop
Shoo bee doo wop, bop, bop
Shoo bee doo wop

(Maryann!)
