Get Busy/
Everybody's talking all this stuff about me/
Why don't they just let me live/
I dont need permission, make my own decisions/
Thats my prerogative/
They say Im crazy I really dont care/
Thats my prerogative/
They say Im nasty but I dont give a damn/
Getting girls is how I live/
Some ask me questions/
Why am I so real/
But they dont understand me, I really dont know the
deal/
about a brother trying hard to make it right/
not long ago before I really spied/
(Sing!)
Everybody's talking all this stuff about me/
Why don't they just let me live/
(Tell me why)
I dont need permission, make my own decisions/
Thats my prerogative/
Its my Per-rog-a-tive
Its the way that I wanna live
(Its my prerogative)
I can do just what I feel/
(Its my prerogative)
No one can tell me what to do/
(Its my prerogative)
Cause what Im doing Im doing for you/
Dont get me wrong/
I really not souped
Evil tricks is not my thang/
All these strange relationships really gets me down/
I see nothing wrong with spreading myself around/
(Sing!)
Everybody's talking all this stuff about me/
Why don't they just let me live/
(Tell me why)
I dont need permission, make my own decisions/
Thats my prerogative/
Its my Per-rog-a-tive

Its the way that I wanna live
(Its my perogative)
I can live my life/
(Its my perogative)
Im doing it just for you/
(Its my perogative)
Tell me, Tell me/
Why cant I live my life/
(Live my Life)
Without all of the thangs/
That people say/
Yo Teddy, kick it like this/
O no no/
I can do what I want to do, me and you/
Together, Together, Together, Together/
Everybody's talking all this stuff about me/
Why don't they just let me live/
I dont need permission, make my own decisions/
Thats my perogative/
(What is this a Blizzard, that I cant have money in my
pocket and
